

Pay for your SCRIP gift cards online with PrestoPay™

(direct withdrawal from a linked bank account)

PrestoPay is the convenient payment system available on ShopWithScrip.com. When you use PrestoPay, your order payment is transferred securely via electronic debit. You won't have to drop off any more checks! PrestoPay is not a credit card system, because credit cards charge fees that are costly for our scrip program. Instead, PrestoPay uses the same electronic payment transfer used by direct deposit systems. It's easy to use, and easy to get started! Order and pay for SCRIP 24/7 anytime you need it. You will then be able to use the reload feature and receive ScripNow e cards for instant use in a matter of minutes. These can also be sent by email as gifts ! Follow the steps below to enable PrestoPay on your account

1. Log in to your shopwithscrip.com account
2. Click on PrestoPay on your Dashboard
3. Enter bank account information
4. When you receive two small deposits in your bank account, log in and enter these amounts in your PrestoPay registration form to verify the account. Choose a PIN number at this time.
5. An email confirmation will be sent with approval code, forward it to the SCRIP coordinators so your account will be activated. You are ready to increase rebates and eliminate check payments!

Simply log into your ShopWithScrip® account, click on the PrestoPay link under Family Functions on your Dashboard, and enter your checking account information. Complete the steps to verify your information, and you will receive a secure approval code to share with your scrip coordinator. That's it! You will then be able to choose the PrestoPay option when you check out on ShopWithScrip.com, and have your payment securely transferred from your checking account right to our organization. A small \$0.15 convenience fee will apply to each order.
